CONDITIONS OF SALE

Prices herein listed cancel all previous quotations and are subject to change without notice.

TERMS

To those with established record for promptness we shall be pleased to extend credit up to 30 days from date of invoice. If paid within 10 days, 2% cash discount will apply.

Credit may be established with us by supplying satisfactory references. Please allow us sufficient time to carefully investigate same. However, new customers in order to establish credit must accompany their orders by $\frac{1}{3}$ down. The same is true for all C.O.D. shipments.

All bills will be considered overdue if not paid within 30 days from date of invoice and a service charge of 1% per month will be charged on same.

PRICES

Prices herein listed are F.O.B. OUR NURSERY AT AKRON, OHIO. They do not include packing and in cases where this is necessary it will be charged at cost.

Price quotations are made for immediate acceptance, subject to prior sale and to stenographic, typographical errors or omissions.

We invite you to visit our nursery and would much prefer you see our stock growing in the field before you place an order. However, at the prices quoted in this catalog we reserve the right to select all plants. Any stock specially selected by customers at the nursery will be charged according to its value as we judge it.

GUARANTEE

We give no warranty, express or implied, as to the life, quality, description, productiveness, or any other matter of plants that we sell. Due to the perishable nature of nursery stock we DO NOT GUARANTEE growth. If properly cared for, losses should be limited to an occasional plant which may be lost for no apparent reason. The success or failure of plants beyond the normal loss is in the hands of the customer. We try to dig all plants correctly and with the proper size ball if sold B&B. We intend for plants to be in good condition when they leave our nursery.

All liability for stock proven untrue to name shall be limited to replacement or refund of original purchase price.

It is mutually agreed that your order of any nursery stock from us automatically means acceptance of the conditions of sale set forth in this catalog.

CLAIMS

All claims for errors must be made within 6 days after receipt of goods or positively will not be considered.

Plants become your property upon leaving our nursery and we cannot be responsible for loss, damage, or delay, in transit. All orders accepted by us are booked on condition that they shall be void if injury befall our stock from frost, fire, storm, or causes of whatsoever nature over which we have no control.

SHIPPING

Most of our customers send their own trucks to pick up their plants. We prefer that they do this when possible as it insures prompt delivery in the best possible condition. However, in cases where this is impossible we can usually arrange for delivery at reasonable prices.

Truck Delivery Rates

These rates are approximate. Please ask us for exact rate to your nursery.

WHOLESALE

The prices in this catalog are for nurserymen, florists, dealers, and landscapers only.

We list prices for quantities from 1-4 merely as a service as we realize many of our landscape customers will occasionally need a plant or two to finish a job and we are glad to be of service to them. However, if we are to keep our prices at wholesale levels we must sell in large quantities. We hope you will cooperate along this line by ordering in wholesale quantities only.

Prices on all evergreens include balling and burlaping. You can be assured of good balls as our soil is ideal for balling. All other items are bareroot unless marked B&B. Our shade trees have been transplanted and have good root systems. Ask us to quote prices on plants not in catalog.
